

Dear Friend,

The Koninklijke (Royal) Model Aero Club of Herentals invites you to come and fly control line with us on July 4th till 6th. Fly what you bring or participate in a friendly competition. We offer plenty of circles, a cozy clubhouse with terrace, improved camping facilities with electricity and a shower, catering and friendly club members, always willing to help where needed. A car boot sale is always possible.

Besides the **focus on free control line flying**, we offer the following competitions:

Basic Carrier Deck (BCD).	The famous German carrier ship Graf Zeppelin 2 sails once a year to Herentals.
F2B	According to the actual F2B rulebook
F2B Beginner	Info on the KMACH website or on request
PackKMACH combat	Rules onder construction
½a Diesel combat	
Limes racing	Info on the KMACH website or on request

More info on the KMACH website <https://www.mach-vzw.be/control-line>
